

Dear Licensee,

The Trashmasters is the Roaring Fork Valley's #1 Homegrown Charity. We offer the world's most unique golf format and have been able to grow our event throughout the world.

Currently the Trashmasters is played in Aspen, Scottsdale, Cabo, Cozumel, Kohler WI, and there is even a chapter in Carnoustie Scotland.

We are proud and honored that you are interested in using our format to raise money for a worthy cause.

If you have any further questions contact Matthew Tate, Assistant to the Chairman @ (970) 927-8727 or trashmasters1@gmail.com

Warmest regards,

Matthew Tate
